

Ankush Pal

ankkpundeer123@gmail.com | +91 8006763804

SKILLS

PROGRAMMING

- C
- C++
- Java

OTHERS

- Basic Java Script
- Data Structures and Algorithm
- HTML • CSS

Familiar:

- Windows • Android • MySQL

EDUCATION

BIT MEERUT

B.TECH IN COMPUTER SCIENCE
ENGINEERING

July 2016 - Aug 2020

CGPA: 7.68 / 10.0

ACHIEVEMENTS

- I am a **5 star** coder in **problem solving** at **Hacker Rank**.
- I won gold medal in Inter branch "Basketball Tournament".
- I won gold medal in Inter branch "Football Tournament".

COURSEWORK

- DBMS
- Operating System
- Design and Analysis of Algorithm (DAA)

PROJECTS

SNAKE GAME | JULY 2019

The aim of the project is to collect the dots(food) and avoid the obstacles (like snake head touch the boundary of the rectangular board). As we collect food , the snakes gets longer .

TECHNOLOGY USED.

"Web Technology".

DRUM KIT WEBSITE | NOVEMBER 2020

In this project, Simply by using the keys we can create different-different tunes and by hearing these tunes we can feel the real life drum. By playing this we can entertain ourselves and this makes us creative as well.

LANGUAGES USED.

- Java script • HTML • CSS

SIMON GAME | JAN 2021

This is cognition improving and memory strengthening Game. There are four colour buttons which have to press one by one in the sequence as tolding by the game.

TRAINING

ALGO++(ADVANCE DATA STRUCTURES AND ALGORITHMS IN C++) |CODING BLOCKS NEW DELHI | JULY 2019 - AUG 2019

Under this 6 weeks training I learnt the topics like • Array • Strings • Recursion • Backtracking • Dynamic Programming • Linked list • Hashmaps • Trees • Graphs etc.

CERTIFICATIONS

PROGRAMMING IN JAVA | NIIT | SEP 2018

- Standard I/O • OOPS concepts (Data Abstraction, Encapsulation, Inheritance, Polymorphism) • Basic Java constructs like loops and data types.
- Arrays • Strings etc.

C AND C++ DEVELOPMENT TRAINING PROGRAM | RITUSHA CONSULTANTS PVT. LTD. (RCPL) | AUG 2017

Basic concepts of C and C++ programming language like • Array • strings • Recursion • Pointers • structures • Data types • STL (Standard Template Library) • Vector • Unordered Map • Ordered Map • OOPS Concepts.

POSITION OF RESPONSIBILITIES

COORDINATOR IN TECH FEST 2K18

- Problem setter in the Coding Contest. • Encouraged 100+ student to participate in the contest. • collaborated with a team of 50+ people.

MEMBER OF TECHNICAL CLUB IN BIT, MEERUT

- Guided the participated students.

EXTRACURRICULAR ACTIVITIES

- Participated in C.S.E "Basketball Team" in basketball tournament organized by Bharat Institute of Technology Meerut.
- Participated in "CODE NINJA" conducted by "ACM CHAPTER" in Bharat Institute of Technology Meerut.
